24 MARCH 2020

Executive

Provincial Chairpersons

Greetings to you all. Considering everything that is happening in our country, in fact the world, we remain positive and hopeful. We have made a few adjustments to our programme for now, which may still change pending new developments. There are some **speculations amid** all this as well, but we will give final arrangements as they unfold. Many of our decisions are based on the change in the school calendar.

1. Fast 5 2020 - Cancelled
2. International Schools Challenge - Cancelled
3. All Ages 2020 - We are hoping to have this event from 24 – 28 June
4. u/17 & u/ Winter Games - **Again we do not have clarity, but we assume this will move to December with the Summer Games. Should this be the case we will take the Fast 5 to the Games, for now the u/15 team will join the All Ages.**
5. Schools' Championships will continue as per normal on the dates set out.

6. LEAGUES
These will have to be adjusted accordingly as the 2nd term will resume later than anticipated. I am however urging you not to have training etc during this period of lockdown.

7. LOCKDOWN
The Netball fraternity has always prided itself on integrity and compliance and to this end I urge the whole country to be vigilant, disciplined and sensible. Let us not endanger ourselves or the lives of others. Use this time to catch on school admin which in many cases has gotten behind, to put your feet up and relax and where possible spend quality time with the family.

There will be further correspondence sent to you during the next few weeks on other issues.

Yours faithfully

D Woolley (Miss)
